Who We Are

At PeopleSpace, we're bold, we're innovative, and we work with amazing furniture and even better people. We give customers the best experience we can, and we do it in a way that helps our employees grow, succeed, and have fun.

What You'll Do

The Project Designer, Account Manager on the Strategic Accounts Team is responsible for all project and daily work order activities, sales, and full customer satisfaction for assigned accounts.

Responsibilities

Customer/Account Servicing

- Single point-of-contact for coordinating all dealer activities, services, orders, and personnel for each assigned account.
- Responsible for all client relations and ongoing relationships with client personnel, and client third parties (contractors, A&D firms, etc.)

Project and Work Order Management

- Oversees all customer projects and work orders
- Directs dealer team for implementation of customer orders and service requests
- Provides frequent and regular status reports to customer regarding project and work order status

Sales Order Management

- Develops plans and product specifications either on own or through work with the design department
- Produces detailed, accurate, and professional-looking quotes through own effort or in conjunction with dealership personnel (designers, project managers, etc.) and presents these to the customer in a timely manner
- Works with services departments to develop service contracts to present to customer when complex services are sold (design, for instance) or for major projects (installation, design, project management, etc.)

Process, Quality, and Customer Satisfaction

- Ensures standards of performance are met for all customer work activities
- Establishes costs and sell amounts for all account products and services, based on contract pricing, gross margin guidelines, and established service pricing
- Is responsible for 'cost-of-sale' against account purchases

IT'S NOT JUST ABOUT FURNITURE.

Working for PeopleSpace means inspiring leadership, amazing resources, and great culture
